

TEEN WINTER READING PROGRAM 2021

JANUARY 4 - FEBRUARY 13

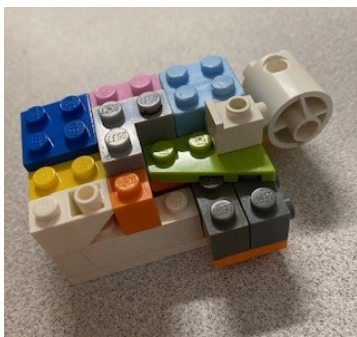

TAKE THE WEEKLY LEGO CHALLENGE!

Each week you will receive a random assortment of 20 Lego pieces and a prompt of what to make. **Pick up your Lego bag up curbside at the WPL, beginning Monday, January 4th.** You'll find a new prompt & bag of Lego on the Monday of each week for 5 weeks. The Legos pieces are yours to keep.

When creating your weekly challenge idea, be sure to use all 20 pieces! Any fun idea works! Let your imagination run wild!

On the 5th week, combine all the Lego pieces (all 100 of them!!) and create a **LIBRARY INSPIRED** Lego work of art! Will you make a book character? A stack of library materials? A figure of a librarian you might know? Fred the Library cat? Or something just a bit more literary?

Shown here is a "Box of Italian Cookies" created by Reference/Technology Librarian Ron Fairchild. (Don't they look delicious?)

The first week's prompt is "FOOD".

Call us to pick up your bag of Legos!

Share your creations! Tag the WPL's Instagram page or email photos to woodbury.library@biblio.org

You must post or email a photo of your final creation by February 13, 2021 to win the final challenge! The winner will also get bragging rights and a Lego inspired gift bag! Grades 6 & up can participate. We can't wait to see what you come up with!

Missing a week? Call us at 203-263-3502 or email woodbury.library@biblio.org and we will put a bag outside for you to pick up.
