FREQUENTLY ASKED QUESTIONS

AM I ELIGIBLE FOR THIS SERVICE?

If you are homebound, live in Woodbury, and are a Woodbury Library card holder in good standing, you can use our service.

DOES THE LIBRARY DELIVER?

The library has volunteer drivers to deliver books to homebound patrons. Please ask about setting up this service when you apply. Alternately, you can choose a designated person for pick up. You can also contact your faith community or the Woodbury Senior Center at 203-263-2828 if you need assistance with delivery.

HOW DO I APPLY?

Please fill out the application on the back of this brochure or call us at 203-263-3502 to have an application mailed to you. Completed applications can be mailed to the Library. After your completed application has been received, someone from the library will be in touch with you to discuss your reading and listening preferences and help you with your selections. Your bag will be created for you and will be ready for pick-up the same day.

HOW DOES THE SERVICE WORK?

The materials are selected for you, placed in a Library book bag, and will be ready for pick up by your designated delivery person. All materials will be checked out to your Woodbury Library card for a 21-day loan period. If you do not have a library card, and are a current Woodbury resident, we will issue you one. The book bag must be returned within the designated loan period, and while you are exempt from overdue fines, you will be responsible for the replacement cost of any lost or damaged materials.
