

# This is your official GNOME DISCOVERY GUIDE for The Great Gnome Hunt in Woodbury

Dates of Play: June 13 - 27

## How to Play

Be on the lookout wherever you go  
For woodland sprites and gnomes, you know  
They come out to play when summer is here  
You will find them surprisingly near  
When you find one, note its name  
And mark your guide...that's the game!  
Turn in your guide when your search is complete  
Congrats to you: that's quite a feat!  
Your name will be entered; you might win a prize  
And forever, when gnomes appear, you will be wise.

## Rules

1. One entry per person
2. Look for gnomes using the location clues. You'll know each 'TGGH official' gnome by the W and their name on the back. When you find one, enter their name on your GNG guide. Be sure to leave the gnome!
3. Write down the name of the gnome or sprite in this guide.
4. Return your completed GNG Guide to the library, parks and rec house or the senior center by 6/27/22.

5. All completed entries will be entered to win a pizza party for your family or friends (limit 2 large pies)
