

## How to use this survey

Libraries should ensure that your patrons have had enough time to participate in the summer program before asking them to fill out a survey.

Feel free to collect your survey data in whatever format works best for your library – either by using paper surveys or placing your survey online. Use the *Annual Summer Report* Excel form at the conclusion of your program to collect your results. The deadline for data collection is Friday, October 7, 2022.

Remember that the survey has been designed to obtain feedback directly from the children, young adults, and adults who took part in the summer program. They are not designed to get a parent's view of a child's experience of the program.

If you have any questions or concerns, reach out to Children/ YA Consultant, Kimberlee Powe at 860-704-2221

Thank you,
