LIBRARY BORROWING POLICIES

Following the philosopy of the American Library Association, the Woodbury Public Library does not charge overdue fines for materials, books, DVDs, etc. that are returned late.

The Library works diligently to create a welcoming atmosphere that encourages equal access to all library users.Therefore, we respectfully ask that our library users renew late materials.

Materials can be self-renewed online or through the Acorn app, provided the item has not reached “lost” status. Library users can call 203-263-3502 to get assistance from staff to renew their materials.

Our three physical passes that must be picked up at the Library are Beardsley Zoo, CT State Parks, and Mystic Seaport. If passes are kept past their due date the computer system will mark your account with an overdue charge. Return of the pass will clear the charge.

The Library has assorted puzzles and paperback books that are available for check-out via an honor system, with no specific return due date. Please tell library staff the number of puzzles and paperback books you are borrowing for our statistics.
